**Robert Megennis and Nikita Lastochkin join Czabok-Simpson Motorsport (CSM) for the 2025 IMSA Michelin Pilot Challenge campaign.**

**Indianapolis, IN (7<sup>th</sup> January 2025)**

Czabok-Simpson Motorsport (CSM) is delighted to announce the signing of Robert Megennis for 2025, as the team enters their second season in the IMSA Michelin Pilot Challenge. He will partner returning driver Nikita Lastochkin who had a strong debut with the team in 2024. The #2 car will debut at Sebring during the second round of the Championship. Robert will join previously announced drivers, Gordon Scully and Morgan Burkhard in the #67 car for Daytona.

“I’m super excited to be joining CSM for my 5th year of IMSA racing! Huge thanks to Stephen, Matthias, Porsche Motorsport and the whole team for this opportunity. I love the Porsche platform and IMSA racing. I know we’ll be collecting some hardware this year, so bring on Daytona!” said New York City resident Robert, at the signing.

A winner in Indy Lights, with Andretti Autosport, where he was coached by Stephen, Robert brings a wealth of experience to the team. He finished tied third in the 2024 IMSA Championship, in what was a very competitive season.

Nikita commented, "It's awesome to be back with CSM after being part of the first year of their program and seeing the potential. I know 2025 is going to be a great year. Continuing my sports car career with Porsche is also fantastic and having worked for the brand at the Experience Center in Los Angeles for many years now, it truly feels like home at this point.

With Rob as a teammate, I know our lineup is incredibly strong, we raced together on the Road to Indy for many years, so it's definitely a vibe to be in the same car!"

CSM Co-owner, Stephen Simpson said, "I'm excited to have Robert join CSM and also be able to welcome Nikita back for his second season! I've known Robert for several years and coached him in 2019 when he raced in the Indy Lights (NXT) series. We stayed in touch and we both worked hard to make this deal happen. To have Nikita return is great, we quickly developed a strong relationship last season and look forward to him being able to capitalize on his 2024 experience. Robert and Nikita have known each other for many years, so having that instant chemistry was another important factor in putting this program together."

Czabok Simpson Motorsport now has two Porsche GT4 RS Clubsport's competing in the 2025 IMSA Michelin Pilot Challenge Championship. The schedule kicks off on January 23rd – 26th, with a four-hour race at Daytona International Speedway, Daytona Beach, FL, following the official three day "ROAR BEFORE THE ROLEX 24" test season the week before on January 17th – 19th.
